Please use designs above to colour your very own Race wetsuit.
You can use it to design a new pattern.

Once you finish upload it using the website (the same place where you did download this document). To upload it you can scan or just take a picture of your artwork with your camera or phone. Make sure the image is clear enough.

Your measures and this document must be submitted at once to allow us to track your order.

You can send it by fax (colour). In this case do not forget to include all your details including the “Made to measure” document.
